Program at a Glance

Wednesday, November 8, 2023

Musa, Eretz Israel Museum, Ramat Aviv

13:30-14:15 Registration

14:15-14:30 Welcome

14:30-16:30 Pre-Meeting Course 1 **Sponsored by Motiva**

16:30-17:00 Coffee Break 

17:00-18:30 Pre-Meeting Course 2 **Sponsored by Ami Technologies & MENTOR**

18:30-19:30 Pre-Meeting Course 3 **Building a Successful Clinic**

Thursday, November 9, 2023

David Intercontinental Hotel, Tel-Aviv

08:00-08:45 Registration

08:45-09:00 Welcome

09:00-10:00 **Session 1: Mastopexy**
Surgical Video – My Technique for Mastopexy

10:00-10:45 **Session 2: Industry Panel**
What the Future Holds for Breast Implants

10:45-11:15 Coffee Break 

11:15-12:55 **Session 3: Debates**

Debate: Breast Augmentation – Implant Type

Debate: Breast Reconstruction – Implant Type

Debate: Breast Augmentation - Implant Pocket

Debate: Breast Reconstruction Alloplastic vs. Autologous

12:55-13:13 Sponsored Lecture

13:15-13:40 **Session 4: Tribute to Michael Scheflan and Amiram Borenstein**
We Remember and Continue Their Legacy

13:40-14:40 Lunch

14:40-15:40 Session 5: Ideas & Innovations

15:40-16:15 Session 6: Lymphedema

Lymphedema Surgery – Prevention and Treatment

16:15-16:35 Break

16:35-17:20 Session 7: Mastectomy

Nipple Sparing Mastectomy

17:20-18:00 Session 8: Best Case & Best Save Breast Surgery

19:00-24:00 Dinner and Night Entertainment

Friday, November 10, 2023

David Intercontinental Hotel, Tel-Aviv

07:30-09:00 Registration

08:00-09:00 Workshops - pre registration is required

Workshop 1: HRUS for Breast Implant Surgery

Workshop 2: Mastopexy Augmentation

Workshop 3: Lymphedema Surgery

Workshop 4: Autologous Breast Reconstruction

09:00-09:30 Session 9: Breast Reduction

Video Session - How do I mark My Breast Reductions?

09:30-10:30 Session 10: Breast Surgery

Special Topics in Breast Surgery

10:30-11:10 Session 10: Free Papers

11:10-11:55 Brunch

11:55-12:45 Session 12: The Very Skinny Patient

Tips & Tricks on Surgical Technique for the Very Skinny Patient

12:45-13:00 Sponsored Lecture

13:00-13:45 Session 13: Breast Implant Illness (BII) & BIA-ALCL

13:45-14:50 Session 14: TLV CUP – Israel VS. World – Complex Breast Cases

Scientific Program

TLV Breast 2023 Program – Wednesday, November 8, 2023

Pre-Meeting Courses

Musa Eretz Israel Museum, Ramat Aviv

13:30-14:15 Registration

14:15-14:30 Welcome – Yoav Barnea, Tomer Tzur, Hadar Israeli

14:30-16:30 Pre-Meeting Course 1

Sponsored by Motiva

Moderators: Charles Randquist, Haim Kaplan, Eran Bar Meir

14:30-14:40 How Do We Make a New Implant?
Juan Jose Chacon Quiros

14:40-14:50 FDA Clinic Study on the Motiva Implants
Caroline Glicksman

14:50-15:05 The Transition from Anatomic Textured to Smooth Round Implants
Charles Randquist

15:05-15:20 Tuberosus Breast Correction
Wouter Van der Pot

15:20-15:40 Discussion

15:40-15:55 Breast Reconstruction using an MRI-Compatible Tissue Expander
Yves Harder

15:55-16:10 Breast Reconstruction using Ergonomix Implants - the Israeli Experience
Haim Kaplan

16:10-16:30 Discussion

16:30-17:00 Coffee Break

17:00-18:30 Pre-Meeting Course 2

**Sponsored by Ami Technologies
& MENTOR**

Moderators: Bill Adams, Dean Ad-El, Sagit Meshulam-Derazon

- 17:00-17:10** Form-stable Round Implants for Breast Augmentation
Bill Adams
- 17:10-17:20** My experience with Autologous Fat Graft for Breast Augmentation
Michael Icekson
- 17:20-17:30** DTI Breast Reconstruction with Anatomic Implants
Burcu Celet Ozden
- 17:30-17:40** Adapting to the Pre-Pectoral Era of Breast Reconstruction
Ehud Arad
- 17:40-17:50** 3D Imaging in Breast Reconstruction
Ariel Neiman
- 17:50-18:00** Discussion
- 18:00-18:10** Post Surgery Scar Management
Ofir Artzi
- 18:10-18:20** Sculptra-Algorithmic Approach to Treatment. Why? Where and how much
Sarit Cohen
- 18:20-18:30** Discussion

18:30-19:30 Pre-Meeting Course 3

Building a Successful Clinic

Moderators: Caroline Glicksman, Yoram Wolf, Noam Hai

- 18:30-18:38** How to Build a Successful Clinic
Radu Ionescu
- 18:38-18:46** Social Media as a Growth Tool
Tal Nachlieli
- 18:46-18:54** Key Points in Consultation for Implant-based Surgery
Stefano Pompei
- 18:54-19:02** 3D Imaging for Breast Surgery
Ariel Tessone
- 19:02-19:17** Dealing with the Unhappy and Shaming Patient
Per Heden
- 19:17-19:30** Discussion

TLV Breast 2023 Program – Thursday, November 9, 2023

David Intercontinental Hotel, Tel Aviv

08:00-08:45 Registration

08:45-09:00 Welcome – Josef Haik, Yoav Barnea

09:00-10:00 Session 1: Mastopexy

Surgical Video – My Technique for Mastopexy

Moderators: Francisco Bravo, Josef Haik, Avshalom Shalom

09:00-09:08 Mastopexy Augmentation
Pat Mallucci

09:08-09:16 Mastopexy with Implant Removal
Noam Hai

09:16-09:24 Mastopexy with Implant Exchange
Amir Inbal

09:24-09:32 Mastopexy with Fat Grafting
Francisco Bravo

09:32-09:40 Mastopexy with Flap
Roy DeVita

09:40-09:50 Mastopexy with scaffold
Bill Adams

Sponsored by BD/GalaFLEX

Audience questions and discussion (10 minutes)

10:00-10:45 Session 2: Industry Panel

What the Future Holds for Breast Implants

Moderators: Yoav Barnea, Per Heden, Brad Calobrace, Roni Moscona

10:00-10:10 Joe Matton, Johnson/Mentor

10:10-10:20 Juan Jose Chacon Quiros, Establishment Labs

10:20-10:30 Dael Govrin-Segal, Polytech

Audience questions and discussion (15 minutes)

10:45-11:15 Coffee Break 

11:15-12:55 Session 3: Debates

Moderators: Chris Andree, Ariel Tessone, Neta Adler

Debate 1: Breast Augmentation – Implant Type

11:15-11:20 Only Smooth-round, **Brad Calobrace**

11:20-11:25 Only Smooth-round, **Francisco Bravo**

11:25-11:30 Only Anatomic, **Radu Ionescu**

11:30-11:35 Only Anatomic, **Noam Hai**

Audience voting (5 minutes)

Debate 2: Breast Reconstruction – Implant Type

11:40-11:45 Only Smooth-round, **Gemma Pons**

11:45-11:50 Only Smooth-round, **Eran Bar Meir**

11:50-11:55 Only Anatomic, **Roy DeVita**

11:55-12:00 Only Anatomic, **Stefano Pompei**

Audience voting (5 minutes)

Debate 3: Breast Augmentation - Implant Pocket

12:05-12:10 Only Above the Muscle, **Per Heden**

12:10-12:15 Only Above the Muscle, **Wouter Van der Pot**

12:15-12:20 Only Under the Muscle, **Paolo Montemurro**

12:20-12:25 Only Under the Muscle, **Benjamin Sarfati**

Audience voting (5 minutes)

Debate 4: Breast Reconstruction Alloplastic vs. Autologous

12:30-12:35 Only Alloplastic, **Burcu Celet Ozden**

12:35-12:40 Only Alloplastic, **Lior Heller**

12:40-12:45 Only Autologous, **Jaume Masia**

12:45-12:50 Only Autologous, **Chris Andree**

Audience voting (5 minutes)

12:55-13:13 VAC Assisted Wound Closure in Breast Surgery
Ibby Younis **Sponsored by Chemitec / 3M**

13:15-13:40 Session 4: Tribute to Michael Scheflan and Amiram Borenstein

We Remember and Continue Their Legacy

Moderators: **Roy DeVita, Lior Heller, Yehuda Ullmann**

13:15-13:20 Video Tribute to Michael Scheflan and Amiram Borenstein

13:20-13:30 Michael Scheflan – Fat Grafting using CO2
Alberto Rancati

13:30-13:40 Amiram Borenstein – Multilevel Breast Reduction
Oren Weissman

13:40-14:40 Lunch

14:40-15:40 Session 5: Ideas & Innovations

Ideas & Innovations in Breast Surgery

Moderators: **Paolo Montemurro, David Leshem, Alon Liran**

14:40-14:48 Device to Remove Ruptured Implants
Yoav Gronovich

14:48-14:56 A New Way to Approach the Lipofilling
Roy DeVita

14:56-15:04 Dendrite Camera for Nerve Imaging
Alberto Rancati

15:04-15:12 Cooling Caps to Reduce Chemotherapy Hair Loss
Ari Raphael

15:12-15:20 The Minimally Invasive Future of Breast Cancer Management?
Per Heden

15:20-15:28 MIA Device for Breast Enhancement
Jaume Masia

Audience questions and discussion (12 minutes)

15:40-16:15 Session 6: Lymphedema

Lymphedema Surgery – Prevention and Treatment

Moderators: Jhonatan Elia, Amir Inbal, Jaume Masia

15:40-15:50 The Future of Lymphedema Surgery
Gemma Pons

15:50-15:58 Treatment for Lymphedema – LVA vs. LNT
Assaf Zeltzer

15:58-16:06 Preventive Surgery for Lymphedema
Daniel Kedar

Audience questions and discussion (9 minutes)

16:15-16:35 Coffee Break 

16:35-17:20 Session 7: Mastectomy

Nipple Sparing Mastectomy

Moderators: Joshua Levine, Dana Egozi, Amin Abu-Jabel

16:35-16:45 In the Eyes of the Surgeon
Daphna Barsuk

16:45-16:55 In the Eyes of the Plastic Surgeon
Alberto Rancati

16:55-17:03 Nipple Sparing with the lateral incision
Hadar Israeli

17:03-17:11 Correction of Nipple/Areola Malposition in NSM's
Burcu Celet Ozden

Audience questions and discussion (9 minutes)

17:20-18:00 Session 8: Best Case & Best Save Breast Surgery

Presentations – Best Case & Best Save

Moderators: Eyal Gur, Alex Margulis

Panel – Yoav Barnea, Brad Calobrace, Jaume Masia, Benjamin Sarfati

- 17:20-17:27** The Combination of Breast and Chest Wall Reconstruction with Tram Flap after Invasive Breast Cancer
Amin Abu Jabal¹, Modar Abu Saleh¹, Orin Tal¹, E. Sheler¹, Nissan Ohana¹, M. Haj¹, M. Badarni¹, R. Najar¹, Leonid Kogan¹, R. Galili³, E. Waxman²
¹Department of Plastic Surgery, Galilee Medical Center, Nahariya; ²Department of General Surgery B, Galilee Medical Center, Nahariya; ³Chest Surgery Unit, Galilee Medical Center, Nahariya
- 17:27-17:34** The Burned Breast
Bar Davidov, Alex Margulis
Department of Plastic Surgery, Hadassah University Medical Center of Hebrew University Jerusalem, Israel
- 17:34-17:41** Two Stage Autologous Breast Reconstruction
Elad Zvi, Eyal Gur, Yoav Barnea
Plastic & Reconstructive Surgery Department, Tel Aviv Medical Center
- 17:41-17:48** Free Diep Flap for Breast Reconstruction Post Bilateral Femoral Repair: Success Against All Odds
Hadas Shefler, Dor Freidin, Ariel Tissone
Department of Plastic and Reconstructive Surgery and National Burn Unit, Sheba Medical Center, Tel Hashomer, Israel

Audience voting, questions and discussion (12 minutes)

19:00-24:00 Dinner and Night Entertainment - Poupe`e Restaurant

Pre-registration is required, space is limited.

TLV Breast 2023 Program – Friday, November 10, 2023

Intercontinental Hotel, Tel Aviv

07:30-09:00 Registration

08:00-09:00 Workshops

Video Workshops – Pre-Operative Planning, Surgical Technique, Technology Application - 20 participants in each session, pre-registration is required

Workshop 1: HRUS for Breast Implant Surgery

Bill Adams (15 minutes)

Caroline Glicksman (15 minutes)

Clinical cases and Discussion (15 minutes)

Workshop 2: Implant Selection for Breast Surgery

Breast Augmentation, **Paolo Montemurro** (15 minutes)

Breast Reconstruction, **Roy DeVita** (15 minutes)

Clinical cases and Discussion (15 minutes)

Workshop 3: Mastopexy Augmentation

My technique, **Per Heden** (15 minutes)

My Technique, **Francisco Bravo** (15 minutes)

My Technique, **Brad Calobrace** (15 minutes)

Clinical cases and Discussion (15 minutes)

Workshop 4: Lymphedema Surgery

Pre-op diagnosis & Planning, **Jaume Masia** (15 minutes)

Surgery, **Gemma Pons** (15 minutes)

Clinical cases and Discussion (15 minutes)

Workshop 5: Autologous Breast Reconstruction

DIEP, **Chris Andree** (15 minutes)

Beyond the DIEP: Non-Abdominal Options for Perforator Flap Breast Reconstruction, **Joshua Levine** (15 minutes)

Clinical cases and Discussion (15 minutes)

09:00-09:30 Session 9: Breast Reduction

Video Session - How do I mark My Breast Reductions?

Moderators: Oren Weissman, Burcu Celet Ozden, Assaf Zeltzer

09:00-09:08 Caroline Glicksman

09:08-09:16 Pat Mallucci

09:16-09:24 Sagit Meshulam-Derazon

Audience voting, questions and discussion (6 minutes)

09:30-10:30 Session 10: Breast Surgery

Special Topics in Breast Surgery

Moderators: Stefano Pompei, HP Van Not, Tal Nachlieli

09:30-09:38 Capsular Contracture Management
Paolo Montemurro

09:38-09:46 Capsule Management in Implant Exchange/Removal
Pat Mallucci

09:46-09:54 Breast Surgery in Adolescents
Ehud Arad

09:54-10:02 Transgender Mastectomy - Female to Male
Yoram Wolf

10:02-10:10 Immediate Fat Grafting to Lumpectomy Defects
Michael Icekson

10:10-10:18 Salvage of the Infected Implant
Roy DeVita

10:18-10:26 Breast Reconstruction and Radiation
Dean Ad-El

Audience questions and discussion (4 minutes)

10:30-11:10 Session 11: Free Papers

Moderators: Leonid Kogan, Meir Retchkiman

10:30-10:35 Scaffold Strategies in Breast Tissue Engineering - A Comparative Evaluation of Two Tissue-Engineered Scaffold Designs for Enhanced Breast Tissue Regeneration
Sharon Kracoff-Sella^{1,2}, Idit Goldfracht², Shira Landau², Lior Debbi², Asaf Silverstein², Rita Beckerman², Hagit Shoyhat², Yifat Herman-Bachinsky², Gali-Guterman-Ram², Rita Shuhmaher², Janette Zavin², Dana Egozi^{1,3}, Shulamit Levenberg²

¹Plastic Surgery Department, Kaplan Medical Center, Rehovot; ²Levenberg Lab, the Faculty of Biomedical Engineering, Technion, Haifa; ³The Faculty of Medicine, Hebrew University, Jerusalem

- 10:35-10:40** Regional Pain Block in Breast Reduction Surgery – A Prospective Comparison between Preoperative Anaesthesiologist Block and Intraoperative Surgeon Block
Mahmood Zidan, Elad Zvi, Dana Adelson, Roi Singolda, Ehab Madah, Yoav Barnea, Riham Kheir, Ehud Arad
 Department of Plastic and Reconstructive Surgery, Tel Aviv Medical Center, Tel Aviv, affiliated with Tel Aviv University, Tel Aviv, Israel
- 10:40-10:45** Nipple Reconstruction Using Fixnip- A New Nipple Reconstruction Implant
Tal Konfino, Ariel Tessone
 Department of Plastic and Reconstructive Surgery and National Burn Unit, Sheba Medical Center, Tel Hashomer, Israel
- 10:45-10:50** Long Term Follow Up Following Subcutaneous Mastectomy in Transgender Men, A Comparison of Sensation of The Nipple–Areolar Complex (Nac): Inferior Dermal Pedicle Vs. Free Nac Graft, Scar Assessment and Aesthetic Result
Liran Shapira, Shmuel Kwartin, Ron Skorochof, Yoram Wolf
- 10:50-10:55** Anterior Intercostal Artery Perforator Flap for Immediate Reconstruction Following Breast Conservation Surgery
Neta Adler¹, Einat Carmon², Katya Chapchay¹, Allan Billig¹
¹Department of Plastic and Reconstructive Surgery, Hadassah, Jerusalem;
²Department of General Surgery, Asuta Ashdod, Israel
- 10:55-11:00** Reconstruction of Extended Breast Skin Defects Post-Mastectomy: The Tata Memorial Hospital, India Experience
S. Mathews, VK. Shankhdhar, D. Jaiswal, M. Mantri, B. Ameya, V. Pilania, A. Verma
 Department of Plastic and Reconstructive Surgery, Tata Memorial Hospital, Homi Bhabha National Institute, Mumbai, India
- 11:00-11:05** The impact of neoadjuvant systemic treatment on postoperative complications in breast cancer surgery
A. Haumer A, F D Schwab, J Krol , I Oberhauser, W P Weber, C Kurzeder, M D Haug, Elisabeth A Kappos
- 11:05-11:10** Breast Implant Selection- Changes and Impacts, Two-Stage Israeli Survey
Yair Shachar, Tomer Tzur
 Department of plastic surgery, Hadassah Medical Center, Jerusalem, Israel

11:10-11:55 Brunch

11:55-12:45 Session 12: The Very Skinny Patient

Tips & Tricks on Surgical Technique for the Very Skinny Patient

Moderators: Radu Ionescu, Yves Harder, Yaron Har-Shai

11:55-12:03 Breast Augmentation in Skinny Patients
Paolo Montemurro

12:03-12:11 Alloplastic Breast Reconstruction in Skinny Patients
Benjamin Sarfati

12:11-12:19 Autologous Breast Reconstruction in Skinny Patients
Chris Andree

12:19-12:27 Fat Grafting in Skinny Patients
Brad Calobrace

12:27-12:35 Implant Exchange in Skinny Patients
Francisco Bravo

Audience questions and discussion (10 minutes)

12:45-13:00 Immediate Pre-Pectoral Breast Reconstruction with ADM
Yoav Gronovich **Sponsored by Allergan**

13:00-13:45 Session 13: Breast Implant Illness (BII) & BIA-ALCL

Moderators: Pat Mallucci, Ehud Arad, Aharon Amir

13:00-13:05 Update BIA-ALCL in Israel
Eran Bar Meir

13:05-13:20 Recent Data on SSBI (Systemic Symptoms Associated with Breast Implants)
Caroline Glicksman

13:20-13:28 BII- Correlation Between Symptoms, Chronic Inflammation, and Immune Changes
Yoav Gronovich

13:28-13:36 Explantation and Total Capsulectomy in BII Patients - Surgical Technique, symptomatic and Aesthetic Outcome
Eyal Gur

Audience questions and discussion (9 minutes)

13:45-14:50 Session 14: TLV CUP – Israel VS. World – Complex Breast Cases

Moderators: Tomer Tzur, Benjamin Sarfati Referee: Yoav Barnea

Team Israel: **Dana Egozi, Lior Heller, Haim Kaplan, Ariel Tessone, Assaf Zeltzer**

Team World: **Bill Adams, Chris Andree, Per Heden, Alberto Rancati, HP Van Not**

Audience voting after each case

Meeting Adjourned – Yoav Barnea, Tomer Tzur, Hadar Israeli

THURSDAY AND FRIDAY WORKSHOPS:

MICROSURGERY

ULTRASOUND TECHNOLOGY

pre-registration is required, limited number of participants.

***The scientific program may be subjects to last minute changes.**
